r24.2.2 Changelog

+-----+
| r24.2.2 Release - 157795
+-----+

Release day 26th April 2023

Fixes

- DSOF-24056 - RenderStream Uncompressed: Fixed an error where "packet/frame dropped recently" message did not clear after a stream recovered
- DSOF-24001 - Fixed an issue where quad link capture displayed a black screen
