

r26.5.3 Changelog

+-----+
| r26.5.3 Release - 183434 |
+-----+

Release day March 22nd 2024

Fixes

- DSOF-26466 - Fixed an issue where RenderStream Proxy did not show up on Director if both 25g connectors were active
- DSOF-26550 - Fixed an issue where a duplicate process was started when clicking quickly on the start or restart workload button
