

r27.3.3 Changelog

+-----+
| r27.3.3 Release - 184464 |
+-----+

Release day April 10th 2024

Fixes

- DSOF-25391 - The MIDI Beat Clock Timecode Transport, when set to Metronome mode, now holds at the end of a section when in Playing to End of Section playmode
- DSOF-26439 - Fixed an Access Violation that sometimes occurred when starting a project with pre-configured video ins
- DSOF-26631 - More than 8 RenderStream streams in Mesh Mapping no longer cause black outputs
- DSOF-26721 - Fixed an issue where RenderStream duplicated one stream across outputs
